## PREFACE

The 21<sup>st</sup> century can best be remembered for Women's empowerment through education. It is not that women's education was never initiated in the past; in fact, woman has always been the pivot of our society. The modern education has been instrumental in bringing about a paradigm shift in evolving women to the position of leadership.

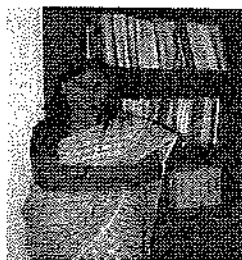

BPS Mahila Vishwavidyalaya has its roots in the same philosophy of women's education. The University began its journey with a very humble but giant step way back in 1936 with the establishment of an exclusive *Gurukul* for girls at Khanpur Kalan. Today the erstwhile *Gurukul* has come to be one of the premier Women Universities of India.

In order to substantiate this claim and enumerate the achievements, the Annual Report of the University for the Year 2013-14 is ready for all to appreciate our endeavors.

The Annual Report consists of three sections viz. 'The University', 'Teaching Departments' and 'University Budget'. The Editorial team has endeavored to record the facts with alacrity. However any instance of error may be excused and should be reported to us for rectification.

With regards

Editor

### **Vice Chancellor's Message**

I feel elated to find the Annual Report of Bhagat Phool Singh Mahila Vishwavidyalaya (BPSMV). My happiness becomes more meaningful because I have been witness to all the events enumerated in this Annual Report. BPSMV has been doing remarkably good towards women education and social development through society university interface. With a mission to empower and emancipate women through education, BPSMV has come of age and is marching ahead with extraordinary zeal and passion. It is the 'university with a difference' because of many reasons. Being the first Women University of north India, it provides education from KG to Ph.D level, offering a galaxy of subject combinations. Learning computers, a foreign language and communication skills' training is compulsory for all the students.

True to the role of a University, BPSMV believes in inclusive development, preservation and dissemination of Indian heritage and culture; it has adopted all the neighboring villages for socio-cultural development. The University has established Centre for Society University Interface and Research (CSUIR) and centre for Indic-Asian Studies (CIAS) for this purpose. The University has earned its name on international level by frequent visits of international academicians and students and signing of MOUs with many foreign universities of repute.

I take this opportunity to place on record the hard work done by the staff of this University. The progress made by the university so far would not have been possible without the extra ordinary and continuous support of the Government of Haryana and UGC. I thank the Hon'ble Chief Minister of Haryana Sh. Bhupender Singh Hooda ji for his support to the University.

Having been a firm believer in human potential to excel I exhort each member of the university to contribute substantially towards making BPSMV the best place for women's education.

Best Wishes

**Dr (Mrs) Pankaj Mittal**

### **Registrar Presents the Annual Report**

Annual Report of an institution is a chronicle of its activities and achievements during the year under reference. It is a time for stock taking and to see what milestones have been achieved in the journey towards the goals and how much distance has been traversed in catching up with the spirit of the 'Mission' of the organization. In our own context, we need to ascertain how much difference we have been able to make in the lives of women by empowering them to attain their full potential through the pursuit of knowledge, acquisition of skills, development of character and self esteem, and recognition of their rights and responsibilities.

The Annual Report of BPS Mahila Vishwavidyalaya for the year 2013-14 reflects the abiding commitment of Haryana Government for achieving excellence in education and especially in girls' education. We at the University have a sense of satisfaction and legitimate pride in presenting our endeavors for inspiring excellence in teaching and learning, research and engagement with the society.

The annual report systematically enumerates all the accomplishments of the University from infrastructural development, strengthening of labs, and other teaching aids, development of students' amenities, introduction of new and innovative courses, nurturing the talent and development of personality of the students, participation and organizing the national and international seminars, conferences, workshops and lectures, excelling achievements of the students in academics, sports, cultural activities, NSS and other co-curricular activities, international collaborations etc.

Our achievements are due to the invaluable contribution and guidance of the learned Members of the University Court, Executive Council, Finance Committee, Academic Council and the Vice Chancellor of the University.

We have been fortunate to have been receiving immense support, and guidance from His Excellency, the Governor of Haryana and Chancellor of the University, Shri Jagannath Pahadia and Smt. Geeta Bhukkal, Hon'ble Education Minister of Haryana.

On the personal note, it has been a matter of great satisfaction for me to be in the service of this unique institution. I have been trying to play a very proactive role in the affairs of the University. I congratulate students, faculty and administrative staff on the accomplishments made by them.

**Prof. Asha Kadyan**

## THE UNIVERSITY

**The Genesis...**

Bhagat Phool Singh Mahila Vishwavidyalaya is the manifestation of the dream seen by the legendary, saintly figure Bhagat Phool Singh ji, who established a Gurukul, exclusively for girls at Khanpur Kalan in 1936. Notwithstanding the vehement opposition to Bhagat Phool Singhji's endeavor to educate girls, Gurukul Khanpur Kalan turned out to be a 'Mecca' for girls' education. Barring few non progressive sections of society, everybody including the eminent personalities like Sir Chhotu Ram of those times helped in evolving Gurukul Khanpur Kalan into a centre of excellence for girls' education. Owing to his extraordinary interest in women's education Shri Bhupinder Singh Hooda, the Honorable Chief Minister of Haryana upgraded the erstwhile Gurukul to the status of a University exclusively for women in August 2006 and christened it as Bhagat Phool Singh Mahila Vishwavidyalaya, (hereafter referred as BPSMV) the first State Women University of North India.

Since its inception in August 2006, Bhagat Phool Singh Mahila Vishwavidyalaya has earned its place of 'university with a difference' in the arena of higher education.. To start with the bare minimum requirements of a university, BPSMV has undergone a complete transformation; a 75 years old Gurukul started with only three girls has turned into a modern university with approximately 7000 girls on its rolls and juxtaposing tradition with modernity.

Bhagat Phool Singh Mahila Vishwavidyalaya is spread over lush green, pollution free 500 acres of land. There are two teaching blocks housing various teaching departments of the university, an administrative block, a multipurpose hall and the School of Engineering and Sciences. There are several constituent colleges viz. BPS Memorial Girls' College, BPS Institute of Teacher Training & Research, Department of Laws, BPS Mahila Polytechnic and MSM Institute of Ayurveda. Also there are two Schools offering courses in all school subjects both in Hindi and English medium.

## FACULTY OF COMMERCE AND MANAGEMENT

### Academic Activities

- Ms. Anshu Bhardwaj was awarded PhD degree on *Financial Leverage and Firm's Value: A study Of Capital Structure Of selected Manufacturing Sector Firms in India* on 12.09.2013.
- Financial Education Awareness Programme was organised by SEBI for the students on 16<sup>th</sup> Feb. 2013.
- Workshop on Gender Sensitization in collaboration with IQAC was organised on 11-12 October, 2013.
- Mr Pankaj Mishra presented a paper titled *Promoting E- governance culture in institutions in Higher Education* in the national conference at Faculty of education & Allied Sciences, MJP, Rohilkhand University, Bareilly on March 20-21, 2013.

### Extension Lectures

- Dr. Mahesh Dhadhich, Dean, Students' Welfare, BPSMV, Khanpur Kalan delivered an extension lecture on Life and Philosophies of Swami Vivekananda on Januray 12, 2013.
- Brahm kumaris DhyanYog Kendra, Panipat organised an extension lecture on on Positive Thinking on Januray 12, 2013.
- Dr. Ishwar Mittal, Vaish College of Management, Rohtak delivered a talk on Entrepreneurial Skill Development on March 22, 2013.
- Mrs. Alka, Asst. Professor, Department of Law, BPSMV deliveed an extension lecture on Customer Rights and Awareness in March 2013.

### Educational Tours

- The department organised an educational tour to Jaipur Rigs in March 2013.
