

**Proceedings of Academic Audit Conducted on August 1, 2022 at  
Department of Laws, BPSMV Khanpur Kalan**

**Members Present**

- 1. Prof. Amit Ludri - Head & Dean Faculty of law (External Expert)**
- 2. Prof. Vijay Nehra – Dean Laws**
- 3. Dr. Rajesh Hooda - Chairperson Laws**

The Committee along with officials/ faculty members of the Department met in the room of HOD, Department of Laws to Conduct Academic Audit and proceeded with file performa of academic audit year w.e.f 2016-2021; duly filled as per the information and documents available.

The Committee members interacted with the faculty on different issues relating to department and particularly about research & Academic activities, strength of the Department, infrastructure and difficulties faced by them.

The Committee while auditing has gone through different aspects like Curricular, teaching learning evaluation, research activities, extension activities, Student Support activity, infrastructure, governance & leadership and best practices adopted by the department.

After ascertaining different items as per the information provided by the department, grading was allocated accordingly yearly based. In most of the items, department got **A** grade and on some items improvement was suggested to do the needful as per the norms.

The Committee after due deliberation & discussion has sorted out the best strength of the department which were during the year 2016- 2021:

1. The strength of department/organization is participation by the students in Moot Court competitions.
2. Legal Aid Clinic is very active and organised so many legal literacy and awareness Camps in surrounding villages in consonance with DLSA & HALSA
3. A good number of students were selected in judicial services, ADA, in multinational companies, government jobs and in teaching. Apart from the above, many students are practicing in district, honourable High Court and Supreme Court.

4. Department of Laws is actively involved in Gender Sensitization Program in rural areas.

### **Recommendations/Suggestions**

1. In view of the above strength of department: it is recommended and suggested that ICT infrastructure may be developed and more smart class rooms may be installed with audio visual system to meet the challenges of new era of post COVID.
2. More International conferences/seminars may be organized in future.
3. To provide seed money for minor projects may be allocated to every faculty members.
4. Apart from the present facilities provided to the teachers, there is also a requirement of providing e-facilities.
5. The concept of finishing school may be adopted by department to strengthen and impart new way skills and legal education.
6. It is suggested that department may go under MOU (Memorandum of Understandings) with reputed institutes.
