

Dr. Beenu Tanwar currently holds the positions of **Professor and Chairperson, Department of Food and Nutrition**, and **Director, Centre for Society University Interface and Research (CSUIR)** at *Bhagat Phool Singh Mahila Vishwavidyalaya, Khanpur Kalan, Sonipat, Haryana, India*. With a Ph.D. in *Food Science and Nutrition* and an M.Sc. in *Food Technology*, Dr. Tanwar brings over **10 years of post-doctoral experience** in higher education, research, and academic leadership. Her core research areas include the

development of functional and value-added food and dairy products by harnessing agro-industrial by-products, underutilized crops, and indigenous resources. A dynamic researcher and educator, she has made significant contributions to the field with **22 original research articles, 15 review papers, 8 book chapters, 2 books**, and has supervised numerous postgraduate and doctoral dissertations.

Dr. Tanwar serves on the **Editorial Boards of several prestigious journals**, including *Scientific Reports (Nature)*, *Journal of Food Quality (Wiley)*, *BMC Nutrition (Springer Nature)*, and *Journal of Food Processing and Preservation (Wiley)*. She is also actively engaged with policy-oriented and capacity-building initiatives through her directorship at CSUIR, where she leads interdisciplinary projects aligned with nutrition-led entrepreneurship, women's empowerment, and sustainable development. Her work has earned her multiple awards and accolades, including best presentation awards, merit scholarships, and UGC fellowships. An invited speaker at several national and international conferences, Dr. Tanwar is deeply committed to advancing food and nutrition sciences through impactful teaching, translational research, and meaningful academic-societal partnerships.
