

Dr. Sushil Kumar, M.Ed., Ph.D. (Education, Kurukshetra University) and UGC-NET qualified, is a dynamic educator, researcher, and academic innovator with over a decade of experience in higher education. Specializing in Educational Technology, Curriculum Design, and Teacher Education, he has authored several acclaimed books, including Educational Technology (2023), and presented 40+ papers at national and international forums.

As Convenor of the Teaching Practicum, Internship and Research Cell, he pioneered Haryana's first paid school internship programme, aligning with NEP 2020 to enhance hands-on teacher training. In his capacity as Assistant Director, IQAC, he contributes to quality assurance, academic benchmarking, and institutional development initiatives at BPSMV.

A strong advocate for women's empowerment through education, Dr. Kumar actively integrates research, community engagement, and policy alignment to create transformative learning environments.
